Most often, we are asked to prepare fajitas for lunch or dinner service; which is easy to price and keeps confusion down. The table below details the costs for those sweet babies catered to your location. There are several different meats to choose from. For simplicity, they are all priced the same. So, you may mix/match any or all of these!

*Tender Beef Fajita: this skirt steak is marinated and flame-grilled with our fuego-seasoning. It's a beef-lover's delight.*

*Marinated Chicken Fajita: this tender breast is marinated and flame-grilled with our fuego-seasoning. Tender and flavorful.*

*Carnitas Fajita: Our carnitas are sooo tender and tasty. Tastes like a tender pork chunk wrapped with bacon. Even if you don't usually try anything new; you will certainly not regret the choice.*

*Seasoned Mixed Veggies: Zucchini, squash, tomato, onion, mushroom and bell pepper. Lightly oiled and sautéed; medium seasoned.*
